About us

At **Tapis d'or**, we specialize in bringing elegance and style to your spaces. From the timeless beauty of Persian, Afghani, and Indian handmade **carpets** to trendy machine-made designs that complement modern interiors, we cater to all tastes and preferences. Beyond carpets, we offer a range of **flooring and walling solutions**, including **moquette** for casual and high-end settings, **parquet** in laminated and solid wood, **vinyl flooring**, **artificial grass** for floors and walls, as well as wall coverings and **wallpapers**. To complete your décor, we also provide **door mats** and **false ceilings** for homes and offices alike.

Our story began in **1997** with an unexpected twist of fate. **Mr. Amer Sabbouri**, our founder, discovered his passion for home decoration solutions when his father, who owned one of the largest post-harvesting facilities for fruits and vegetables in Lebanon, exported produce to the Gulf and received moquette instead of payment. Encouraged to sell the moquette locally, Amer uncovered his love for trading and design. What began as a small moquette retail venture quickly into **Tapis d'or**, one of Lebanon's **leading home décor** providers.

Today, Tapis d'or operates from **two branches** in **Chtoura** and **Sin El Fil**, serving **retail customers**, along with a **warehouse in Chtoura** dedicated to supporting **wholesalers** across Lebanon. Additionally, we maintain a **private office** for **logistics management** and **import/export** operations at Dekwaneh – 44 Bldg. Our mission is not only to provide high-quality, value-driven home decoration products but also to ensure professional and prompt installation services through our skilled in-house team.

Our uniqueness is the **family spirit** deeply embedded in everything we do. From the warm welcome at our showrooms to the personalized attention provided by our staff, we ensure every customer feels like a part of the **Tapis d'or family**. Whether you're constructing or upgrading your home, office, or commercial space, we are dedicated to **transforming your spaces** with **Quality, Value, and Speed**.

Our Vision: To become the **leading** provider of **innovative** and stylish **home decoration solutions** in Lebanon and beyond, delivering unparalleled **quality, value,** and service while fostering a **sense of family** and **trust** in every interaction.

Our Mission: To **transform** spaces with high-quality **carpets, flooring, walling, and ceiling solutions,** expertly **delivered** and **installed** with **professionalism, efficiency** and **speed**.

Our Purpose: To create **beauty** and **comfort** in every space.
